Subject: [EXT] akgupta4 has Successfully completed Deloitte - Front End Foundation Assessment: Core Skills test

You don't often get email from noreply@imocha.io. [Learn why this is important](#)

Hello akgupta4,

You have successfully completed the **Deloitte - Front End Foundation Assessment: Core Skills**.

Test Details

Results: **Pass**

Percentage: **95%**

Total Score: **57** out of **60**

Employee Name: **akgupta4**

Email Address: **akgupta4@deloitte.com**

To satisfy the education requirement for the Full Stack Development badge, please upload this email to the [{Deloitte Certified platform}](#) as the document to prove completion.

Notice: If you did not pass this test, don't worry! You have a total of three attempts and can retake the assessment in 30 days. In the meantime, we highly recommend you review the FSD content related to this badge:

- Front End Development: [{Foundation Pathway}](#) / [{Intermediate Pathway}](#)

- Back End Development: {[Foundation Pathway](#)} / {[Intermediate Pathway](#)}

You can always see this test result and your other FSD completed assessment results on your assessment profile page: {[My Completed Assessments](#)}

In case of any queries, please contact us at {ususedeloittetechnologyacademy@deloitte.com}.

Best Regards,

{The Deloitte Technology Academy}

Thank you for your participation and dedication to improving your
Full Stack Development skills!
